

CURRICULUM VITAE

PROF. DR. NGUYEN VAN THU

Personal Information

Full name: Nguyen Van Thu

Date of birth: Feb 16th
1955

Place of birth: Binh Thuan Province, VIET NAM

Education

1974-1979: B.Sc. in Animal Husbandry and Veterinary Medicine, Can Tho University (CTU), Viet Nam
1992-1994: M.Sc. in Animal Production, Swedish University of Agriculture Sciences, Sweden

1997-2000: Ph.D. in Animal Nutrition and Management, Swedish University of Agriculture Sciences, Sweden

2002: Certificate of Applied Biotechnology, Universiti Putra Malaysia

2011: Certificate of Rumen biology and Technology in enteric GHG emissions. NARO Institute of Livestock and Grassland Science (NILGS), Japan

Professional Career

1979-2000: - Lecturer / Deputy Head, Dept. of Animal Sciences. College of Agriculture and Appl. Biology, CTU.

2001-2003: - Senior Lecturer, Head of Animal Production Division. Dept. of Animal Sciences. College of Agriculture and Appl. Biology, CTU.

2004-2011: - Assoc. Professor, Head of Dept of Animal Sciences. Dept. of Animal Sciences. College of Agriculture and Appl. Biology, CTU.

2011-2012: - Professor, Head of Dept of Animal Sciences. Dept. of Animal Sciences. College of Agriculture and Appl. Biology, CTU.

2013- Present: - Professor, Member of Vietnam Professor Council in Ani. Prod., Vet. Med & Aquaculture (2015-2019). Head of Ruminant Production Division. Dept. of Animal Sciences. College of Agriculture and Appl. Biology, CTU.

Research Interests

Ruminant nutrition and feeds, Rabbit nutrition and management, Wild animal keeping and conservation, Biogas technology, Livestock production based on farming systems, Animal production adapting to climate change and improving livelihoods.

International scientific activities

- President of World Rabbit Association of Vietnam Branch

- Executive member of Asian Rabbit Production Association and Vietnam Rabbit Association
- Vietnam representative for Asian Australasian Dairy Goat Association
- Executive member of Asian Buffalo Association
- Editorial Board of Buffalo magazine, India
- Editorial Board of Buffalo Bulletin, Thailand
